MA&UD Department - Atal Mission for Rejuvenation and Urban Transformation (AMRUT) 2.0 – Re-constitution of State Level Task Force Committee on Drink from Tap (DFT) 24x7 water supply in all AMRUT Cities under AMRUT 2.0. – Orders – Issued.

MUNICIPAL ADMINISTRATION & URBAN DEVELOPMENT (UBS) DEPARTMENT

G.O.RT.No. 736 Dated: 24-09-2024

Read the following:

1. G.O.Rt.No.587 MA&UD (UBS) Department, dated 17.08.2022.
2. From the Additional Secretary, MoHUA, GoI, New Delhi, DO Q-12011/8/2021-CPHEEO, dated 09.04.2024.

** * **

O R D E R:

In the reference 1st read above, Government have constituted the State-Level Task Force (STF) under the Chairmanship of the Engineer-in-Chief, Public Health for implementation of 24x7 Water Supply Project in the State of Andhra Pradesh under AMRUT 2.0.

2. In the reference 2nd read above, the Additional Secretary, MoHUA has requested to re-constitute the State Level Task Force (STF) on DFT under the chairmanship of Principal Secretary (PHED / UD) or State Mission Directors (AMRUT) to continuously interact with the NTF for planning, design and implementation of Drink from Tap 24x7 water supply projects. The Model Terms of Reference of State-level Task Force (STF) and City level Task Force (CTF) remain same.

3. Accordingly, the Managing Director, APUFIDC, Vijayawada and the Engineer-in-Chief, Public Health, Tadepalli have submitted the proposal for reconstitution of State Level Task Force (STF) as suggested by Government of India.

4. Government after careful examination of the matter hereby re-constitute the State Level Task Force (STF) on Drink from Tap (DFT) to continuously interact with the NTF for planning, design and implementation of Drink from Tap 24x7 water supply projects under AMRUT 2.0 with the following composition:

STATE-LEVEL TASK FORCE COMMITTEE:

Sl. No.	Name	Designation
1	Managing Director, APUFIDC	Chairperson
2	Engineer-in-Chief, PH&ME Department	Co-Chairperson
3	Chief Engineer, Greater Visakhapatnam Municipal Corporation.	Member

Contd...2..

4	Chief Engineer, Vijayawada Municipal Corporation	Member
5	Professor of department of Civil & Environmental Engineering, IIT, Tirupati	Member (**to be nominated**)
6	Dr. N. Narasamma, Assistant Professor of the Dept. of Civil & Environmental Engineering, IIT, Tirupati	Member
7	Sri LNB. Srinivas, Chief Technical Officer, APUIAML	Member
8	Sri. D. Shalem Raju, PPP Expert, Finance Dept., GoAP	Member
9	Dr. S.M. Subhani, Managing Director, NCPE, Ltd., Hyderabad	Member
10	Executive Engineer from O/o E-in-C, PH&MED	Member Secretary and Coordinator

5. Further as per the ToR, the Chairman may invite / co-opt any official or non-official member as a special invitee including foreign expert. The task force may also form sub-committee(s) within, to examine theme wise or region wise issues.

6. The Terms of Reference of State Level Task Force (STF) on Drink from Tap 24x7 Water Supply is as follows:

The STF Shall –

i. Assess the number of AMRUT Cities in their respective States/UTs and monitor the cities which will be implementing 24x7 water supply projects and regularly interact with National Task Force.
ii. Support cities in establishing a City level Task Force (CTF) on 24x7 water supply system and extend handholding support.
iii. Organize State/region wise meeting inviting all the City Engineers for AMRUT cities for handholding and dissemination of knowledge on 24x7 water Supply.
iv. Emphasize on the immediate goals and need for implementation of 24x7 water supply in AMRUT cities, in at least one ward or one DMA or District Metering Areas with 2000 households as envisaged under AMRUT 2.0.
v. Organize the capacity building program and training to all the respective engineers / staff working in the cities regarding 24x7 water Supply.
vi. Ensure that all the cities have sustainable and 95% reliable water source. To ensure this, members of STF shall take up site visits as and when required.
vii. Disseminate various components for implementation on 24x7 water supply brought out in the “Guidelines for Planning, Design and Implementation of 24x7 Water Supply Systems” and revised Manual on Water Supply and Treatment, to be published by the Ministry.

Contd...3..

viii. Identify and study the national and international best practices of 24x7 water supply from the viewpoint of effectiveness, efficiency, sustainability, impact and share the success and failure experiences. The service delivery models, O&M, community engagement, institutional setup, adopted technology and lessons applicable/learnt to Indian cities will be identified and shared with the cities in the states.

ix. Extend handholding support to cities in preparing City Water Balance Plan, Detailed Project Reports (DPRs), and reduction in Non-Revenue Water (NRW).

x. Advise cities in setting up Non-Revenue Water (NRW) cells in all AMRUT Cities in the state.

xi. Standardize the rate for works relating to surveying and hydraulic modelling, SCADA implementation etc. and DPR preparation and request cities to maintain uniform rate of charges across the State/UT.

xii. Advice cities to undertake the initiative of capacity building, institutional strengthening of utilities, and facilitating the twinning program for cities/ULBs within and outside the country.

xiii. Monitor city's 24x7 water supply projects on the Web Portal which will be developed by CPHEEO to maintain data on digital mode and also monitor MIS on 24x7 Water Supply Systems.

xiv. The duration of the STF shall be initially for 3 years and will be extended till completion of AMRUT 2.0.

7. The Managing Director, APUFIDC, Vijayawada shall take necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
